BACKGROUND

On August 26, 2014, petitions were filed with the Commission and Commerce by Edsal Manufacturing Co., Inc., Chicago, Illinois, alleging that an industry in the United States is materially injured or threatened with material injury by reason of LTFV and subsidized imports of boltless steel shelving from China. Accordingly, effective August 26, 2014, the Commission instituted countervailing duty investigation No. 701-TA-523 and antidumping duty investigation No. 731-TA-1259 (Preliminary).

Notice of the institution of the Commission's investigations and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the *Federal Register* of September 2, 2014 (79 FR 52040). The conference was held in Washington, DC, on September 16, 2014, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determinations in these investigations to the Secretary of Commerce on October 10, 2014. The views of the Commission are contained in USITC Publication 4495 (October 2014), entitled *Boltless Steel Shelving Units Prepackaged for Sale from China*.
